

# T13A BEAGLE Meeting Minutes

Date:2/10/21

**Attendees:** Krishen, Johnie, Haokai, Dylan, Lawrence

**Agenda Item:** Finalising functions, programming together to fix issues

## Discussion/Conclusions:

- Added docstrings to each function
- Went over each function and checked it alongside the project specifications
- Brainstormed what we need to do to maximise marks
- Cleaned up code by fixing style and adding comments
- Modified blocks of code to make them more pythonic
