

# T13A BEAGLE Meeting Minutes

Date:28/9/21

**Attendees:** Krishen, Dylan, Johnie, Lawrence, Haokai

**Agenda Item:** Go over implemented tests and functions, discuss future schedule

## Discussion/Conclusions:

- Update tests to account for implemented functions
- Modify users and channel data store to store list of dictionaries rather than list of tuples/lists
- Went over everyone's test implementations and discussed completion timeline
- Clarified issues and areas that we were unsure about with the project specifications
- Assigned tasks to complete functions by next meeting.
