

T13A BEAGLE Meeting Minutes

Date:23/10/21

Attendees:

Krishen, Johnie, Haokai, Dylan, Lawrence

Agenda Item:

Making sure consistent styling and use of helper functions to minimise code, making sure everything is well commented and cleanly written

Discussion/Conclusions:

- Went through project spec as a group to ensure nothing was missing and implementations were correct
- Fixing up code and implementing docstring for every function
- Commenting on tests and functions to ensure good style
- Making sure every function has consistent style
- Making coverage be 100%
